Subject: Certified Service Partner with Exclusivity

April 23, 2025

Dear Mr. Myerson,

This letter shall confirm that Safety, Inc. located at 119 Foster Street, Bldg. 6, Peabody, MA 01960 is a Certified Service Partner for Dräger's Fixed Gas Detection System (FGDS) product line with exclusivity in the following states: CT, ME, MA, NH, RI, VT, and Upstate NY.

Safety, Inc. has been identified as a Certified Service Partner whose technicians are factory trained to properly repair/maintain/calibrate Dräger's FGDS product line and thus establish compliance with all applicable factory recommended operational standards.

Please do not hesitate to contact Carter Brookshire, Manager Indirect Services & Service Center at carter.brookshire@draeger.com or via phone at (346) 242-4405 if there are any further questions regarding this matter.

Sincerely,

Donna Weido
